

## REGISTRATION CERTIFICATE

*This certificate is issued solely as an official assurance for the purpose of registration of **non-animal derived food products** with the **Thai Food and Drug Administration** and to provide an assurance that the manufacturer described below operates a quality assurance programme that is equivalent to Thailand's Good Manufacturing Practice (GMP) requirements. This certificate is not authorised for any other purpose.*

This is to certify that on this date the New Zealand food products described below:

- (i) are required to be produced in accordance with New Zealand food hygiene regulatory requirements for items intended for human consumption;
- (ii) are manufactured in New Zealand premises operating under the New Zealand Food Hygiene Regulations or a Ministry for Primary Industries (previously named MAF and NZFSA) registered Food Safety Programme (FSP) for products being produced for human consumption. These requirements are based on internationally recognised HACCP principles and or Good Manufacturing Practice (GMP). Premises are audited by a MPI-approved auditor to ensure that required regulatory standards are met.
- (iii) may be sold without restriction in New Zealand provided that the products have been produced in accordance with and comply with New Zealand regulatory requirements for items intended for human consumption.
